Spaces will be filled on a first-come basis. Vendors will be able to park vehicles by their space once again as we will have a new layout this summer (see attached picture). This new layout will ensure we have plenty of space for all vendors and make it possible for all to have their vehicles near and will be able to drive out without any disruption of market should you need to leave early due to any emergencies. Bring your own tables, chairs & tents. No Electrical Hookups are available. **Note: the shaded area under the tree on the west side of lot will now be utilized by the Food Trucks and picnic tables for the customers to be able to sit and enjoy a break from their shopping. This will make their experience more enjoyable and give them time to think about buying more and that is why our great vendors set up each market– to provide excellent customer service and fantastic products!**

Set up begins at 2:30PM and we ask that you are ready to go by 4PM

Vendors are responsible for cleaning up their space and removing all garbage after each event.

Advertising: Mainly social media advertising will be used as well as signage placed throughout town. Make sure to like and follow our Facebook page so we can tag you in any photos posted (Kenyon Farmers Market) and share the page with your customers/friends.
